Epila must be sent complete with original packaging, in good working order and with all parts and accessories. All freight and insurance is at your own expense. Returns must include a copy of your Proof of Purchase (PayPal order receipt or copy of check or money order).

In accordance with our money back guarantee available on our website, you will be refunded within 10 business days after receipt of Epila and conformation of adherence to return policy.

Should you require any further assistance or have any questions regarding our policies please contact customer service during regular business hours or anytime via email.

*Sincerely,  
Team Epila*
